Abstract Submission: International Conference on Healthcare & Social Work 2026

We invite you to submit your abstract for the International Conference on Healthcare & Social Work (ICHHS) 2026. This is your opportunity to share your research and become part of a significant gathering of over 20 expert speakers and more than 200 health and social service workers from around the world. The conference will provide a crucial platform to address global health challenges and explore the theme, "Health in a Social Perspective: Innovations, Integration, and Global Solutions".

Submission Details

- **Abstract Submission Starts:** September 01, 2024, at 11:59 PM EST
- **Deadline:** April 30, 2025, at 11:59 PM EST

Submission Categories Abstracts will be considered for an oral or poster presentation. Your research should align with the conference's core themes and topics, which include:

- Integrated Care and Mental Health
- Health in a Social Perspective
- Community Health Approaches
- Job opportunities and policy implementation in healthcare systems
- Partnerships for Global Health
- Application of AI, Telehealth, and Virtual Reality (VR)
- Global Health Challenges (e.g., pandemic preparedness, climate change's health impact)
- Newcomer success stories and mentorship

Who Can Submit?

- All professional and academic levels.
- Students (Graduate, Medical, Undergraduate, or High School) must provide their research advisor's name, institution, and email address.

Guidelines for Submission

- The abstract body must be a minimum of 300 characters and a maximum of 3,000 characters, excluding spaces.
- The abstract must be related to the conference's thematic areas of Integrated Care, Healthcare, Social Work relationships, and perspectives on different determinants of healthcare and social work.
- Authors are not permitted to submit an abstract for previously published work unless it represents a further progression of that research.
- By submitting, you agree that if your abstract is selected for a poster presentation, you will upload and narrate a virtual poster AND present at the in-person meeting.
- You may be the first author or a co-author of multiple abstracts, provided each represents distinct research.
- Abstracts must be written in English.
- The abstract submitter is listed as the first and presenting author, and the primary author cannot be changed after submission.

Selection and Publication All submitted abstracts will undergo a peer-review process. Approved abstracts will be published in a supplement to the Conference report of the International Conference on Healthcare and Social Work. A significant portion of our oral presentations (45%) will be selected directly from submitted abstracts.
